2022 ROSIE AWARDS SPONSORSHIP PACKAGE

ABOUT AMPIA

The Alberta Media Production Industries Association (AMPIA) is a not-for-profit professional service organization with a mandate to promote and support the growth of screen-based production activities within Alberta. Formed in 1973 as the Alberta Motion Picture Industries Association, the organization was the first of its kind in English Canada.

The Association has approximately 175 members and member companies in Alberta, representing an estimated 2,000 industry professionals -- a cross-section of our industry that includes producers, directors, screenwriters, performers, craftspeople, digital content creators and students enrolled in film and media.

ABOUT THE 'ROSIE' AWARDS

AMPIA has hosted the Alberta Film & Television Awards (nicknamed the Rosie Awards) since 1974, making it the oldest awards show in Canada! The Rosies have grown over the years and now recognize over 25 Class categories and 30 Craft categories. To be eligible for entry, productions must be produced or co-produced by an Alberta company or sole proprietor. Craft entries must be entered by individuals who have resided in Alberta for the 12-month period during or prior to production.

The Rosie Award winners will be announced at **two** live in-person events on Saturday, September 24, 2022 – an afternoon event co-presented with the Calgary International Film Festival, and an evening Gala at the Petroleum Club. Sponsors will have the option of presenting their Awards in person or presenting via pre-recorded message. More details will be announced soon.
